The Army of Northern Virginia

Our March meeting speaker is Joseph T. Glatthaar, who will visit us from Houston, Texas where he has been a Professor in tenure since 1992.

He has written numerous books on Civil War history and has received such prestigious awards as the Bell Irvin Wiley Award of the National Historical Society, the Fletcher Pratt Award and the Jefferson Davis Award of the Museum of the Confederacy.

His talk on his latest book should find another near overflow and enthusiastic Atlanta Round Table audience.

Make your reservations early !!

Bill Scaife Update

Bill sounds great on the phone and is kicking the Specialty Care barn door desiring to go home full time soon. That's great news!!

Call him there (770-514-2712) I know he would like to hear from you.

February Meeting

Dr. Craig L. Symonds gave a very interesting and informative talk on both Union and Confederate naval histories and included an in depth update on the U.S.S. Monitor recovery off Cape Hatteras, N.C. and the current ongoing preservation efforts to save the remains of this historic ship.

It sounds like to your Battle Lines editor that a visit to the U.S.S. Monitor Center in Newport News, Virginia, is warranted in the very near future to see the results up close!
